

A DANGER OF SPIRIT COMMUNICATIONAND SO FORTH

(Poem)

-by Brian Edwards

(Written May, 2018)

Another night
Getting hit
By the voices blitz

I'm hearing voices
And feeling them

Getting hit
By the.....
Who knows
What in the hell

The EVP voices
Escaped.....
Into my ears

Just another day
Just another night

EVP voices
Not of the light

Here I am
With voices induced
Insomnia

Can't sleep again
The voices
Just sabotaged it

Can't dream again

The voices

Infiltrate

The EVP voices

Who were not

What they claimed to be

The EVP voices

Full of fake light

Fake appearances

Until.....

The ceaseless hurricane

Of voices

Voices

Wearing

Audio mask

How different

Are these nights

Anymore
